## DISABILITY EMPLOYMENT SERVICES

Mai-Wel is a registered Disability Employment Services (DES) provider that achieves life-changing outcomes for local job seekers aged 14-65 in the Hunter region.

Our supports include:

- > Specialist knowledge in supporting people with disability, injury and mental health conditions to find and keep a job
- > Building a unique plan of support for each job seeker
- > Links to an extensive network of businesses and services, ensuring job seekers have a full wraparound of supports
- > Post-Placement Support to ensure the best chance of sustaining employment
- > Free recruitment services for businesses to increase inclusive opportunities in our area, including support to find the right fit, connections to financial supports and subsidies to upskill new staff and modify workplaces to be accessible for them.

## WORKFORCE AUSTRALIA – TRANSITION TO WORK

Mai-Wel is a registered Workforce Australia – Transition to Work (TtW) provider that supports young people aged 15-24 to address their barriers to employment and gain the confidence, ambition and self esteem needed to achieve their goals.

Our supports include:

- > Friendly and experienced mentors to guide job seekers to identify aspirations and build a blueprint for success
- > Access to our network of partnerships, connections and knowledge of supports available to address their unique barriers, such as housing, mental health, addiction, legal, family violence etc.
- > Business Development Representatives who work with local employers to provide creative, supportive employment solutions that benefit our job seekers
- > Post-Placement Support to ensure the job seeker and business are set for success and any questions or concerns are addressed.

## MAI-WEL ACADEMY

Mai-Wel Academy offers a fresh approach to gaining skills, training and experience needed before entering employment. This program caters for Year 10, 11 and 12 students, those who have recently finished high school, through to adults eager to enter the job market into open employment and need support to take that step.

Our supports include:

- > An individualised journey to support participants to build skills, confidence and capacity for employment, no matter what life stage they are in. This will continue to be reassessed and built upon throughout their time at Mai-Wel Academy
- > Structured supports to bridge the gap between school and the next stage of life, whether that be employment or further study
- > A knowledgeable support team who will equip you with the tools for success
- > Easy transition into our employment services when the individual feels ready to begin the search for open employment.
